Corrandulla Show is one of the Country's most successful and varied Agricultural Shows set on over 40 acres of land in Corrandulla Village, Co. Galway. Run by a dedicated group of volunteers, its aim is to provide a great days entertainment while preserving the tradition of the country show for future generations. This year we are proud to celebrate 42 years of the Corrandulla Show and we intend to make it bigger and better than ever. The Show provides sponsors with an ideal opportunity to show their support and to showcase their products and services to a wide audience. The Show launch in May offers another valuable opportunity for sponsors to promote their business as it always features heavily in both print and social media.
