**Please note that only cattle for which a valid Certificate of Compliance is provided to the Show Secretary can be shown on the day of the Show**

**Notification Cattle Movement – Taken from [www.irishshows.org](http://www.irishshows.org)**

Keepers wishing to show cattle must obtain a Certificate of Compliance prior to the movement of the animal to the Show. This ensures that the animal(s) in question has the necessary TB, BR and BVD tests recorded on the Department's database and that the keeper presenting the animal is not restricted by the Department. Certificates of Compliance can be obtained online from the Animal Identification and Movement (AIM) system through the [www.agfood.ie](http://www.agfood.ie) facility or from the Cattle Movement Notification Agency. When applying for a Certificate of Compliance, keepers should not specify a destination herd. On the day of the Show, the Certificate of Compliance should be presented to the Show Secretary along with the bovine passport for the animal. The keeper and the Show Secretary will then sign the Movement Notification section of the Certificate which will then be sent to the local DVO for recording onto the AIM system.

Annaghdown Heritage Society was founded in 1996 to record, preserve and promote the history, culture and heritage of Annaghdown. We organise regular lectures, workshops, outings, and other events to facilitate the sharing of knowledge and the coming together of those interested in heritage, both in the locality and through the diaspora.

At Corrandulla Show we will be displaying local artefacts and old photographs of the parish. Our members will be on hand to consult on genealogical and historical matters relating to the area, including census and civil records.

## **Irish Shows Association Guidelines**

For full details and rules on Irish Shows Association please refer to the Irish Shows Association Guidebook or our website [www.irishshows.org](http://www.irishshows.org). All Shows are governed by these and qualifiers are ran in accordance with the rules & regulations of the Irish Shows Association. The **Irish Shows Association** would advise animal owners who have their animals insured to have the insurance extended to cover them while showing animals at Shows. We believe the cost is minimal depending on your insurer. The reason being that if your animal were to lash out and injure someone or damage property and it was established that it was your animal was out of your control at the time, you may be held responsible or partly responsible and could have to pay all or part of any settlement reached.

### **Discipline**

The Irish Shows Association expects and will insist upon appropriate behaviour from all exhibitors and others participating in any of the activities at our Member Shows and will not tolerate inappropriate behaviour. Inappropriate behaviour includes but is not limited to the following: Profanity, coarse or vulgar language or gestures towards judges or Show officials; harassment or bullying, including using words or actions that threaten, intimidate or undermine judges or other officials before, during or following member show activities; failure to follow rules and/or obey instructions; abusing any animal.

Disciplinary Procedures – Complaints of misconduct against an exhibitor or other participant at a member show shall be investigated and adjudicated upon by a subcommittee appointed by the Irish Shows Association. The Disciplinary Committee shall seek to ensure the existence of consistent, effective, fair and transparent complaint procedures and shall act in accordance with natural and constitutional justice. For details refer to the Irish Shows Association yearbook or visit our web site on [www.irishshows.org](http://www.irishshows.org).

### **Horse Transport**

Irish Law(EU Directive) - Under Irish Law, all horses moving from one location to another must be accompanied by their passports. It is in your own interest to ensure that this is the case. Failure to do so is an offence under Irish Law and is liable on summary conviction to result in a fine of up to €3,000. All passports must be registered with the name of the current owner.
